excuse for staying at home to hunt ado the teacher pulled a supply of hen's nests in the depths of the hay-spellers from his several capacions pockets, and said, "The first call in

After all, perhaps, the sentimental valen- baby his contemporaries, who habitually shrewd observer, and loved a good Then it dawned upon the minds of joke so well as any one. He had the boys that they had been fairly adopted many original plans of in- trapped, and they nearly choked with Oh, well, we'd all put it under the head struction. He could see one end of the inward laughter as they went through: of "Miscellaneous," "From a Foreign Con- mill-pond half a mile away from his with spelling, arithmetic and reading. The false alarm of fire on Columbia a couple of small black figures gliding pickerel was doing his best to carry off street yesterday afternoon was cannot by over its surface, and a trace of a one of the lines, none of them dared to failing out of the back seat of an open amile shown among his wrinkles as pull him up, for Mr. Chalker looked an idea seemed to strike him. Per- like a very severe and dignified

-A North Carolina farmer, to catch the thier who had been stealing his meat, put said: "Ben, it seems to me that the said: "Ben, it seems to me that the pond is a much nicer place for us than and the whole family dare not touch one of the schoolhouse to day. Let's go fishing. I can't skate, but perhaps I can the leaded the leaf fish and strung him Now, there, you see, is just where a show you how we used to catch pick landed the last fish and strung him could try the hame, and the rest of the family could watch and pray.

In the 150 hams.—Er.

Ing. I can't skate, but pernaps I can be catch pick landed the last fish and strung him could try the hame, and the rest of the last fish and strung him through the gills with the others upon a willow twig, he chuckled to himon hand, cold or no cold, after this.

A Cold Dinner.

-Can any one tell why the colored bar- will let you have some lines, and a George Washington post 103 of the GrandArmy of the Republic, in Del-

-When a Baltimore craft set sail for city will receive four or free damba representing a herribly deformed man in a bine coat in some unspeakably in a bine coat in some unspeakably indicrous or unbecoming position. In Comic Valentines.

We have seen some follows "strike a bar" and get a lighter diet then that.

The verses appended to valentines are always excerable. This makes a variety called the "Useful Hints" very attractive. The cuts are well made and nicely colored and there are no verses appended. Of this grade the prospective sers:

The cuts are well made and nicely colored and there are no verses appended. Of this grade the prospective sers:
